Group Discussion – “13”

S.5A

(1). After watching the musical “13”, do you think teenagers in America are different or similar to teenagers in Hong Kong? Why do you say this? What issues and problems do teenagers in all countries face? What is it like, being a teenager in Hong Kong?

S5B

(2). How did you feel when you turned thirteen and became a teenager? Why is it an enjoyable age to be? In what ways are you given more freedom from your parents and school once you are a teenager? What responsibilities and pressures do you face now that you are a teenager?

S5C

(3). How easy is it to make friends at school? What do you like to do with your friends? What kind of bullying have you seen in Hong Kong? Why do some teenagers feel unhappy? How can you help students who are bullied or who are feeling lonely?

TAI PO GOVERNMENT SECONDARY SCHOOL

Half-yearly Examination 2011-2012

S5 SBA – Social Issues

Individual Presentation (3 to 5 minutes)

5C

1. Bullying can be a problem in schools. What is bullying? How would you feel if you were bullied? What would you do if you saw a student being bullied during the school lunch break? How can we stop bullying in this school?

5B

2. Many people like to drink beer with their friends. What is binge drinking? What are the dangers of drinking too much alcohol? What can we do to stop young people from drinking too much?

5A

3. Drug taking has become a serious social problem in Hong Kong. Why do some young people take drugs? What are the dangers of drugs? How do they hurt you, your family and the community? What can we do to stop teenagers taking drugs?
